

## MCPS Parent/Student Portal

A letter like this one was mailed to homes this summer. The letter has the web link, instructions, and access ID and Access Password that the parent needs to create their PowerSchool Parent Portal account. **The letter also contains the Student username and password to access their portal account. Students do not need to create an account.**

To the Parent/Guardian of Aaron Miles:

The administration and staff at **District Office** would like to inform you that we can now provide you and Aaron with online access to current academic progress through PowerSchool Parent/Student Portal. To access Parent Portal, you will need to follow these steps:

1. Open PowerSchool in your browser, the address is: <http://powerschool.montgomery.k12.va.us/public>
  2. Click **Create Account**
  3. Enter your First Name, Last Name, Email and choose a user name and password. Please note that your user name must be unique and cannot be an email address.
  4. Enter Student Name, Access ID, Access Password and relationship for students that will be linked to your account.
- Your Access ID is:   
Your Access Passw
5. Click Enter. The PowerSchool Parent Portal Login page appears. You may login with your new user name and password.

Academic progress can be tracked from any location that has internet access. **It is advisable that you keep your username and password secure and not share it with anyone else.**

After the start of school, the Grades and Attendance tab will allow you to check assignments and scores by clicking on the blue percentage across from a class. To email the teacher a question or concern, please click the blue teacher's name link. The Grades History tab will show you the grades your child received in previous grading periods. The Teacher Comments tab is used to access current teacher comments for your student and the School Bulletin tab has current announcements for our school.

Aaron can track his own academic progress by logging on to <http://powerschool.montgomery.k12.va.us/public> and using his login information listed below:

Aaron's Username is:   
Aaron's Password is: 1 . . . . .

Please remember that students in grades K-2 receive effort grades rather than letter grades. Due to the nature of this grading system, daily grades for K-2 students are not generally posted. If a percentage is present in Parent Portal for a K-2 student, it may not correlate with the student's grade. Parents/Guardians are encouraged to contact their child's teacher if there are any questions about their child's progress.

If you have any questions regarding the use of PowerSchool please contact the school office at .
